

S.T.A.R.S.

The S.T.A.R.S. Project is a collaborative partnership among and between the NEREC, The Governor's Commission on Disability– NM Technical Assistance Program (GCD-NMTAP), New Mexico Highlands University (NMHU), and the NM Division of Vocational Rehabilitation (NMDVR) supporting the assistive technology needs of students and adults in and around northern New Mexico.

Strategies for Technology Assistance in Rural Settings (STARS)

The S.T.A.R.S. Project Provides:

- ★ Assistive Technology Assessments and Training
- ★ Vocational Evaluations
- ★ Transition Support Services and
- ★ Access to our ABE (*Assistive Bank of Loan Equipment*) Lending Library

For More Information About S.T.A.R.S. and How It Might Help You or Your Students,
